

For Alex Hamerman's proposal to his girlfriend, Gigi Gartner, Go Get It (gogetit.org), an upscale special-events company, staged a phony off-Broadway play based on the classic "The Frog Prince." At the theater, Gigi was picked from the crowd to "participate" in the show. While on stage, she realized that "the frog" was actually Alex, who then presented her with a diamond ring. Sometimes fairy tales do come true!
